

Summer Camp

Stepping Stones Learning Academy

Prek/Kindergarten

Summer Camp Schedule

2022

June 6-10 (Unofficial Week)

June 13-17 (Transition Week)

Space Race!

June 20-24

Join us for a week that is sure to be out of this world! This week we will explore what it takes to become an astronaut, build rocket ships and try to launch them, create constellations of our marshmallows and toothpicks, learn about the solar system and the planets within it, and enjoy some space inspired snacks!

Emily's Wonder Lab Week

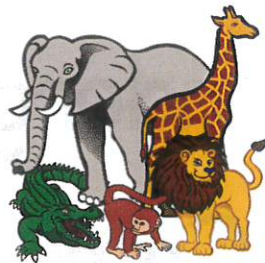

June 27-July 1

This week we will put on our lab coats and explore the world of SCIENCE! We will talk about how scientists create a hypothesis before conducting experiments, test our theories to see if we were right or wrong, and use science to make snacks!

Summer Safari

July 4-8

Join us for a week in Africa! This week we will travel to Africa where we will learn all about the animals that live there. We will become safari tour guides by creating our own "safari uniforms" or students may choose to transform into one of the animals that we learn about. At the end of the week, we will invite other camps on a tour and show off all that we have learned and created! (Closed 7/4/2022 for the 4th of July holiday)

Amazing Artists

July 11-15

This week we will explore all things ART! We will turn into “Little Picasso’s” and “Mini-Matisse’s” when we use unconventional tools and materials to create fun, funky, and beautiful art! Some activities will include marshmallow stamping, squirt gun painting, as well as searching the world around us to create our own natural paintbrushes to paint with. At the end of the week, each student will take home their very own art portfolio to show off!

Encanto Week!

July 18-22

This week we will do our absolute best to not talk about Bruno! Inspired by the hit movie Encanto, this week we will use our singing pipes to belt out all of our favorite tunes. We will create beautiful coffee filter flowers just like Isabella made, we will test our strength like Lousia, and each student will create their own “candle” to bring home at the end of the week.

Superheroes Unite!

July 25-29

Calling all superheroes! You are cordially invited to the SSLA Superhero Academy! We will create our own superhero identities and costumes to match. We will determine our secret identities, what our superpowers are, and how we are going to help to save the world! We will end the week with a superhero parade!

Let's Get Messy!

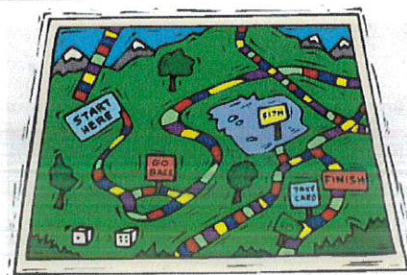

August 1- 5

Come have loads of fun this week as we participate in ALL THINGS MESSY! Definitely do not wear your Sunday best because this week we're getting down and dirty! We will create our own fingerprint, play with "worms in the mud," make slime, and much more!

Board Game Bonanza!

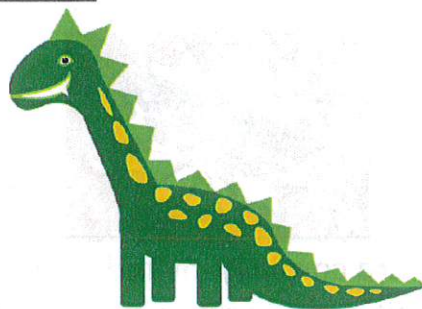

August 8-12

Come join us for a bounty of board games this week! We will play classics like Trouble, Don't Wake Daddy, Twister, and Uno and new games like Yeti in My Spaghetti! We will also create our own board games using recycled materials!

DINO-myte Dinosaurs!

August 15-19

Join us this week as we explore the pre-historic world! We will learn about different types of dinosaurs, figure out why they became extinct, and create our own dinosaur fossils! We will also dance to the "Dino-Stomp" and practice dinosaur yoga!

Cooking Up a Fun Time!

August 22-26

Get out those spatulas and spoons because we are going to be flipping, stirring and cooking up some delicious edible fun. This week we will put on our chef hats (after we create them of course!) and learn all about the process of cooking! We will talk about kitchen safety, the do's and don'ts of cooking certain things and we will end the week by creating our own "restaurant" to serve our friends!

August 29- September 2 (Transition Week, CLOSED 9/2 for teacher work day)

September 5-9 (First Week of School, CLOSED LABOR DAY)

****Throughout the summer, we go to the pool on a weekly basis as well as multiple trips to Wicomico County Public Library and to the Summer Movie Express at Regal Cinemas. **ALL OF THIS IS SUBJECT TO CURRENT AND FUTURE COVID-19 RESTRICTIONS.** A more in-depth schedule will be given out at the start of summer camp regarding these trips****

- **Closed:** Monday, July 4th for the holiday and Friday, September 2nd Staff Professional Day

Stepping Stones Summer Camp

Attendance and Tuition Policies

In order to better staff for summer camps and plan activities accordingly, we have instituted the following policies regarding attendance and tuition.

1. Campers must enroll for 5 day, 4 day, or 3 day weeks. The number of days a week your camper attends can be changed from week to week when filling out your enrollment form. Drop-ins, however, will not be permitted.
2. Payment must be received at the **BEGINNING** of each week.
3. You **WILL be charged** for the camp weeks you sign-up for unless you give a week's notice that your plans have changed (email or phone notice is fine).
4. Payment arrangements must be made prior the first week of camp so weekly **ACH can be set up**. If necessary, **debit/credit card** payments may be made at the office or by phone. Those who already have current ACH or credit cards on file need not provide new account information. Your weekly amount will be adjusted according to the sign-up sheet.
5. Two weeks without payment will result in termination from our summer camp program.

Full Time: 5 days - \$162
4 days - \$136
3 days - \$102
